April, May, & June 2025

Remembering Awesome Alicia

Most in our field have already heard about the passing of our beloved coworker, Alicia Hundley. Alicia was an incredible presence in the lives of our Choices staff, Region 2 providers, and Infant and Toddler caregivers across the state. She was a mentor, teacher, friend, and advocate for our youngest children. Everyone who interacted with her learned something from her. Hundreds of us are better trainers because of her. Thousands of us are better caregivers because of her.

Our staff has found comfort reading the dozens of tributes to Alicia on social media and talking with others at her services. One thing we can know for sure, is that we will always be able to find a memory to smile and laugh about. Please continue to keep her memory alive by sharing stories and providing the best care to infants and toddlers. She would be proud.

The Advantages of having a Breastfeeding Friendly Child Care Designation:

1. Designation shows the community your commitment to quality care.
2. Child and Adult Care Feeding Program (CACFP) meal reimbursements are available when mothers breastfeed at the center or provide breastmilk for feeding their infant.
3. Designation can positively affect staff recruitment and retention as well as productivity and morale.
4. Sites achieving designation receive a bonus stipend, certificate of designation and recognition, and materials for start up.

Click the link below to learn more about this designation and the 10-step process to becoming a breastfeeding friendly program.

West Virginia Infant/Toddler Mental Health Association

Supporting the social and emotional well being of children

Congratulations to Quinn Snyder of Cubby's Child Care Center for earning her Endorsement as an Infant Family Associate!

The Infant Mental Health Endorsement is an internationally recognized credential that recognizes the abilities of professionals who work with pregnant people, young children, and their families. It is based on a set of competencies designed to support culturally sensitive, relationship focused practice within the framework of mental health. Someone who has achieved their Endorsement demonstrates that they have achieved these competencies through education, work, training, and reflective supervision.

Recognitions

Congratulations to Heart and Hands of Gilmer County and Growing Memories & Imagination Station of Harrison County on their Tier II approvals!

The Child Care Reimbursement System is a quality initiative that offers higher subsidy payments to programs that demonstrate they meet higher standards of care. Programs may apply for Tier II if specific higher quality standards are met. These providers receive a higher childcare reimbursement rate and are eligible for additional bonus payments.

Quality child care is essential to our state, communities, and families. Choices CCR&R is committed to supporting child care providers in their journey to Tier II and beyond. Please reach out to us with any questions and to find out more about quality initiatives in West Virginia.

If you are interested in becoming a Tier II program, contact your Quality Improvement Specialist.

WV Child Care Credential

The WV Child Care Credential is an initiative from the Division of Early Care and Education to recognize outstanding professionalism within the child care field. Applying for this recognition involves creating a professional portfolio highlighting professional development, beliefs, and work experience. A \$500 bonus payment and recognition certificate will be provided after the General credential is awarded.

Once the General credential is achieved, providers can apply for one Specialization credential that best represents their early childhood career. Currently, the Director, Preschool, Infant/Toddler, and Family Child Care Specializations are available. A \$250 bonus payment and recognition certificate will be provided after a Specialization is awarded.

Important Updates

Who's New At Choices?

Hello. My name is Allison Draper and I have recently been hired as the new Behavioral Consultant at Choices CCR&R in Parkersburg, WV. I come to the team with close to twenty years of experience as a preschool teacher for young children and mentor for college level student candidates in the classroom setting. I graduated from Ohio University with a B.S. in Early Childhood Education and a M.S. in Child and Family Studies. I am from northeast Ohio, but have lived predominantly in Athens, Ohio since being an undergrad. Although I feel I am a passionate and knowledgeable teacher, I am at the point in my life where I feel my experience can be best utilized as a guide for teachers who need support. I hope I can be of service to the providers that Choices works alongside. I have appreciated everyone's outpouring of support and the mentoring I have already received. In my personal life I enjoy listening to and seeing live music, reading, playing music, doing puzzles and spending time with friends and my two little dogs, Roscoe and Sprocket.

Do you need help with your small business?

Choices CCR&R is working with community agencies and professionals to gather information and resources for family child care business owners. We are working to put together a guide with helpful information regarding budgeting, quality standards, and much more. You will be able to request this guide in the coming months.

If you need connected to state or local small business programs, we can coordinate this and put you in touch with these agencies to provide more personalized assistance. Below are a few links to get you started.

<https://wvsbdc.com/training/>
<https://wvbusinesslink.com/events/>

We are also collaborating with community partners on training for our staff to better support you moving forward! Keep an eye on our website and Facebook page for more information.

Important Updates

Choices Child Care Resource and Referral has a new website!

Our new site aims to simplify access for families and providers, with everything in one place and not much extra. Families can find common forms and links for helpful resources. Providers can access frequently needed forms, see our current and past newsletters, connect with the Professional Development Team, and learn about ECE initiatives and opportunities. Please reach out to us with questions or if you need assistance navigating the page!

Visit our new site at www.choicesccrr.org!

West Virginia Early Childhood Quality Assessment Phase 2 Assessments

Over the last 5 years, Early Childhood Quality Evaluators have been completing assessments using environmental rating scales in child care programs across the state. In 2025, Phase 2 of these evaluations is being expanded to include all child care centers who have had their baseline assessment completed. The purpose of conducting the Phase Two assessments is to establish data on current child care center classrooms in WV. This will allow the Division of Early Care and Education the ability to evaluate and build the capacity of high-quality child care.

Click the link below for more information about this project and what to expect during your visit.
<https://drive.google.com/file/d/1pOgPzCE2iiTNurjigVEgnVWFwIITS9Ot/view?usp=sharing>

How can Choices help?

After your Phase 2 assessment is complete, the report will be sent to Choices CCR&R or the Resource and Referral in your region. Your program can then reach out to our Professional Development Supervisor to request it 30 days after the assessment is completed. A member of our professional development team will meet with the director and caregivers to discuss the areas of strength and areas for growth. Programs can then request coaching for their classrooms to improve quality. The caregiver and coach will work together to set reasonable goals. Our team is excited to be working with programs who want to achieve the high levels of quality!

To request your report and meeting with one of our Coaches, contact Meagann Morris, (304)485-2668 or Meagann.E.Morris@wv.gov.

ACDS REGISTRATION

ABOUT ACDS

ACDS is a four semester apprenticeship program for individuals working directly with children birth to age 12 for a minimum of 20 hours a week. Classes are one evening a week for 15 weeks a semester. Virtual classes are available for counties that do not offer an in-person option.

PARTICIPATION

Registration for the fall term starts June 1 and for the spring term November 1 each year. Interested participants should follow the outlined steps to register for class each term.

REGISTRATION

STEP ONE

Visit the WV STARS training calendar and search self-paced courses for all ACDS orientations.

STEP TWO

Complete registration that is linked at the end of each orientation.

STEP THREE

Submit \$25.00 registration fee to ACDS program. Checks and cards are accepted. Credit card form is on ACDS website.

Online Professional Development Policies

- You must register for each training in WV STARS and on the registration links provided.
- Each participant must individually register and log in to the training to receive credit.
- Device/screen sharing is not permitted for WV STARS credit.
- Participants who call in to the training by phone without also logging in to a computer, smartphone, or tablet will not receive credit, as this type of attendance cannot be tracked.
- Participants who miss more than 15 minutes of a session will not receive credit for attending.
- Participants who do not meet the minimum proof of learning/participation requirements will not receive credit for attending.
- All participants are expected to remain active in each session by participating in polls, discussions, post-tests, etc and not navigating away from the webinar on their screen.
- Technical issues should be brought to the trainers attention as soon as possible so they can be resolved.

This image indicates that this training meets the requirements for the WV Child Care Credential.

Choices Child Care Resource & Referral will be sharing information and giveaways on Facebook all week, as well as contacting providers to visit your program! Please share the ways you are celebrating WOYC25 with us for additional opportunities for free resources!

Food and Fun

Breakfast Tacos

Materials: Pre-prepared pancakes, chopped fruit of your choice, vanilla yogurt or peanut butter (be mindful of allergies).

Instructions: Have children choose the toppings for their breakfast taco. Children can spread vanilla yogurt or peanut butter on their pancake. Fold the pancake up and add chopped fruit in the center. You can change this recipe to fit the dietary needs of the children in your care.

Mud Pie Play

Materials: water, dirt, cooking utensils, baking pans

Instructions: Allow children to mix dirt and water into a thick mixture. Children can pat out the mud into shapes or add them to baking pans. Children can find flowers or nature items to add to their mud pies. Messy Play has so many benefits for sensory, fine motor, and social emotional development. Embrace the mess and let them learn!

Outdoor Painting

Materials: paint, cardboard, paint utensils

Instructions: Place cardboard on the ground or attach it to a fence or wall outdoors. Allow children to use cardboard as a canvas for their paintings. Fingers, brushes, sponges, and nature items can all be fun tools to use while creating their masterpiece! Almost anything we can do inside, we can modify for outside. Let's make this summer fun!

Have You Checked Out TRAILS?

The Choices TRAILS van offers developmentally appropriate toys, games and books for the use of children in family childcare homes, facilities, and centers. To schedule an appointment to see all of the items TRAILS has to offer contact Jennifer Powell or Ashley Jobs at 304-485-2668.
